

ParisTech

ParisTech International Program
Webinar, 11 June 2024, 2 :00 – 4 :00 p.m. (Paris time)

Registration : https://us02web.zoom.us/join/register/tZMkdO2spj8jGtHP0RYfh_-ew69n5leTbtMv#/registration

Agenda		Begin	End
1. ParisTech	5 min.	14:00	14:05
2. Studying engineering at ParisTech schools	10 min.	14:05	14:15
3. ParisTech International Admission Program	15 min.	14:15	14:30
4. Questions and Answers Session	20 min.	14:30	15:00
5. ParisTech graduate engineering schools	60 min.	15:00	16:00

Each school prepared a specific program. You can change the room and meet different schools during one hour to discuss with their representative. **Detailed programs below.**

Speakers:

AgroParisTech

- Artemio PLANA FATTORI, Researcher
- Aliénor JEANNE, International programme officer

Arts et Métiers

- Mohammed BEN BETTAIEB, Lecturer
- Daniela STELMASZYK, Head of European and International Development for Education

Chimie ParisTech – PSL

- Fethi BEDIoui, Researcher/Director for international relations
- Séverine FOGEL, Deputy head of the Office for international relations
- Charlène FERARD, Mobility officer
- Gilles GASSER, Researcher

École des Ponts ParisTech

- Thibaut SKRZYPEK, International Cooperation Officer
- Emmanuel SIMANTOV, Mobility Officer
- Charlotte ENGRAND, in charge of Entrepreneurship
- David FOGELBERG, Business Partnership Manager

ESPCI Paris – PSL

- Cheryl FEUILLET-PALMA, lecturer

Institut d'Optique Graduate School

- Eirini PAPAGIANNOULI, lecturer / Director of international relations

with support of Florence LELAIT, ParisTech General Delegate, and Minhua YANG, ParisTech Asia.

AgroParisTech		Chimie ParisTech - PSL		ESPCI Paris - PSL		Institut d'Optique Graduate School	
15:00 - 15:10	Introducing AgroParisTech	15:00 - 15:10	Video on Chimie ParisTech and its Engineering programmes	15:00 - 15:10	Introducing ESPCI Paris - PSL	15:00 - 15:15	Introducing IOGS, Presentation of Engineering programs : Regular Track, Apprenticeship, Entrepreneuriat, Introducing LCF laboratory
15:10 - 15:25	Our academic offer: focus on the engineering curriculum	15:10 - 15:25	Q&A session	15:10 - 15:25	Q&A session	15:15 - 15:20	Organisation and welcoming foreign students
15:25 - 15:35	After the Engineering curriculum: entrepreneurship, research and employability	15:25 - 15:35	Video on Chimie ParisTech and its Engineering programmes	15:25 - 15:35	Introducing ESPCI Paris - PSL	15:20 - 15:40	Q&A session
15:35 - 15:55	Q&A session & Student Life	15:35 - 15:50	Q&A session	15:35 - 15:50	Q&A session	15:40 - 16:00	Introducing IOGS, Presentation of Engineering programs : Regular Track, Apprenticeship, Entrepreneuriat, Introducing LCF laboratory
15:55 - 16:05	Introducing AgroParisTech	15:50 - 16:05	Video on Chimie ParisTech and its Engineering programmes			16:00 - 16:05	Organisation and welcoming foreign students
16:05 - 16:20	Our academic offer: focus on the engineering curriculum	16:05 - 16:20	Q&A session			16:05 - 16:20	Q&A session
16:20 - 16:30	After the Engineering curriculum: entrepreneurship, research and employability						
16:30 - 16:50	Q&A session & Student Life						

Arts et Métiers		École des Ponts ParisTech	
15:00 - 15:20	Introducing Arts et Métiers, academic offer with focus on the engineering programme, student life	15:00 - 15:20	Introducing ENPC, Engineering programmes, entrepreneurship, employability
15:20 - 15:50	Q&A session	15:20 - 15:50	Q&A session
15:50 - 16:10	Introducing Arts et Métiers, academic offer with focus on the engineering programme, student life	15:50 - 16:10	Introducing ENPC, Engineering programmes, entrepreneurship, employability
16:10 - 16:40	Q&A session	16:10 - 16:40	Q&A session
